

What You Should Know About Gum Disease

By David Snape

Toothy Grins Publishing, United States, 2008. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Aside from being the number one cause of tooth loss, can gum disease kill you? Ongoing research continues to point to the likelihood of a connection between gum disease and other serious diseases such as heart attack, stroke, diabetes, lung infections and low birth weight, pre-term babies. As research continues, it is likely that even more connections will be discovered. What You Should Know about Gum Disease is truly the layman s guide to fighting gum disease. Written in easy to understand language, it explains in detail what every human being with gum tissue (everyone) should know. This guide goes beyond mere brushing and flossing and discusses tools, concepts, techniques and knowledge that will help you to defeat gum disease or prevent it from visiting your mouth in the first place. The author draws upon and shares personal experiences and success in fighting gum disease as well as the struggle to understand what affects so many people today. This is a book written by a layman for the benefit of non professionals as well as professionals...
