CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 200 pages. Dimensions: 8.0in. x 5.0in. x 0.7in. Magic has a new address. Ryan, Jasmine, Billy and Nicole have stumbled on a world of fantasy and magical adventure. They discover werewolves, vampires and witches and their troubles begin. Meet The Gang Ryan - The leader of the group, Ryan is a reluctant hero who doesn't believe in anything that he can't see and touch, and that includes magic. He would rather have a sword in his hand than a magic book. Things change when he runs with the werewolf pack for a night after trying the professor's werewolf chewing gum. Jasmine - Intelligent and feisty, Jasmine always knew that she was different from other kids. When she discovers a hidden ability to cast magic spells she is quick to embrace the unusual aspects of Moonglow Avenue and with a few lessons from Sapphire, Jasmine is soon saving the day with a well-placed spell or two. . Billy - Acts first, thinks about it later. Billy is Jasmine's younger brother and wants nothing more than to have a great adventure. Will his adventures in Moonglow be big enough or will his gung-ho attitude get him and his friends in more trouble? Nicole - The youngest of the group, Nicole is Ryan's little sister. Nicole isn't interested in adventure and just wants to go home and back to her normal life, but when the chips are down, this little girl doesn't back away from a fight. The Secrets Of Moonglow Moonglow Avenue is an enchanted street that is a sanctuary for all of the creatures that are no longer welcome in the real world. Werewolves and Vampires live (reasonably) peacefully next to witches and mad scientists. The only way to get into Moonglow is through an old rusty gate...
