Charles Chaz O'Brien has been at the top of his profession for many years, enduring injuries that would have crushed a lesser man. Yet the top bullfighter isn't calling it quits any time soon. He does his job with a fierce joy, all the while he's hiding a terrible secret. One that could get him suspended, and could end up killing the very men he protects. Peter Skinner loves working for Les Hardin and Randy Hersch. His bosses are amazing men, but seeing how in love they are every day makes Peter's heart ache. He wishes he could find a man to love him like that, but he knows they're hard to come by in Wyoming where he lives. Until one day, Peter finds a man strung-out in an alley, and Peter is the only one around to deal with it. When Peter and Chaz meet, their worlds collide in a way that could be the best thing in the world for them both, or the worst experience of their lives.
