Excerpt from Lincoln and Civil Liberty It is barely possible that there was some disposition on the part of leading Republicans to pay little attention to Taney s constitutional views because of his Dred Scott Deci sion which logically outlawed the Republican party, but Taney s views on the suspension of the writ were widely shared by lawyers generally. Curtis declared, If he [taney] had never done anything else that was high, heroic and important, his noble vindication of the writ of habeas corpus and of the dignity and authority of his office, against a rash minister of state, who, in the pride of fancied executive power, came near to the commissmn of a great crime, will command the admiration and gratitude of every lover of constitutional liberty, so long as our institutions shall endure.
