AURUM PRESS, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. ` An extraordinary history. The range of voices breathing new life into past events is vast **** Mojo ` The Morrissey and Marr recollections are particularly revealing The Word The Buzzcocks. Joy Division. The Fall. The Smiths. The Stone Roses. The Happy Mondays. Oasis. Manchester has proved to be an endlessly rich seam of pop-music talent over the last 30 years. Highly opinionated and usually controversial, stars such as Mark E. Smith, Morrissey, Ian Brown and the Gallagher brothers have always had plenty to say for themselves. Here, in John Robb s new compilation, Manchester s gobbiest musicians tell the story of the city s thriving music scene in their own words. When the Buzzcocks put on the Sex Pistols at Lester Free Hall in 1976, they kickstarted a musical revolution and a fervent punk scene exploded. In 1979 the legendary Tony Wilson founded Factory Records, the home of Joy Division/New Order and later the Happy Mondays. The Hacienda, the Factory nightclub, became notorious in the late 1980s as a centre of the influential Madchester scene, led by the Mondays and the Stone Roses, with a unique style and sound of its own. Then, from the ashes of Madchester rose u ber-lads Oasis, the kings of Britpop and the biggest UK band of the 1990s. John Robb is a leading music journalist and the author of the bestselling biography of the Stone Roses. His other books include Punk: An Oral History, The Charlatans . We Are Rock and The Nineties: What the F**k Was That All About? He lives in Manchester.
