

The Creek at the End of the Lawns (Paperback)

By Ira Joe Fisher

Nyq Books, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. With his fourth collection of verse, THE CREEK AT THE END OF THE LAWNS, Fisher delves into the minds and lives lived in both a village and a city. Trees and streets and haunted hills figure in these poems. How does one negotiate each day s path as well as the shadows of night? These poems suggest a person-a soul-doing so, or dying in the trying. Fisher s well-crafted narrative and lyric verse creates a conversation which draws the reader into an investigation of both life and self and assures that each reading of this book is a rare verbal and visual treat to be enjoyed again and again.
