

Three Dialogues Between Hylas and Philonous (Paperback)

By George Berkeley

COSIMO CLASSICS, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A philosophical exploration in the form of a classical dialogue such as Aristotle or his pupils might have written, these fanciful-and imaginary-debates pit Philonous, representing author Berkeley, against Hylas, generally accepted to represent Berkeley s adversary in British empiricism John Locke. Matters of skepticism, perception, materialism, and more are discussed in entertaining and enlightening fashion. First published in 1713, this is a curious artifact of an earlier age of philosophy that will bemuse and amuse readers of classic literature. Irish scientist, philosopher, and writer GEORGE BERKELEY (1685-1753) also wrote An Essay Towards a New Theory of Vision (1709) and A Treatise Concerning the Principles of Human Knowledge (1710).
