Thirteen year old Margaret Ann Doyle is forcibly placed in a French convent in 1813 by an unscrupulous priest who deprived her of her innocence. At first she resists Catholic authority, but finally yields to the pressures of the Church. At the convent she spends years training to become a nurse serving the Daughters of Charity. Responding to a call for nurses at a penal colony on the far side of the world, Sister Margaret travels to Australia. A few years after her arrival, she survives a shipwreck while on a medical mission and is captured by Bushrangers on the rugged Australian coast. They escort her to the gangs hideout in the Blue Mountains where she is held against her will and forced to treat escaped prisoners. Three years into her captivity, an aborigine medicine man rescues Sister Margaret and forever changes her life. Bestowing the young woman with mystical powers, and the ability to heal others, he sends her on a religious pilgrimage to the northern Mexican territory of Texas to present a special gift to a young Apache brave named Geronimo. But first she must cross the path of the mighty Mexican Army on its way to oust a group of American pioneers sheltered within the walls of a small mission called the Alamo. But before leaving Sydney, miraculous healings occur within the penal hospital. No one suspects who is responsible for the inexplicable recoveries of some patients. Sister Margaret keeps her powers secret and uses her magic touch undetected. Then she departs for the unexplored wilderness of Americas western frontier. Her objective in Mexico completed, Sister Margaret travels up the Mississippi River and crosses the United States on the Pennsylvania Canal where more unexpected adventures...
