Bronsdon Publishing LLC, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There is an evil dynamic controlling the world - two satanic bloodlines that live among us, today. Quinn s 11th Regiment and American patriots take on that evil to save the United States - with the help of their ghostly friends. This is a ghost story like no other - it reveals who the Antichrist and False Prophet are - what the Gentiles and Israelites are called today - why there is pain and suffering in the world - who burned down the Great Library of Alexandria and why it is important. The answers are interconnected. But only subquantum kinetic weapons can kill the evil that rules the world. The ancient knowledge of the Greek flux principle was telepathically given by a ghost to an American scientist who used the principle to develop subquantum kinetic physics. This is the story of evil and why God has allowed that evil to prevail - but not yet forever. It reveals a view of the world that few have seen - from the beginning to the end times.
