# THEORY AND PRACTICE OF PILE FOUNDATIONS (HARDBACK)

Taylor Francis Ltd, United Kingdom, 2012. Hardback. Condition: New. New. Language: English . Brand New Book. Pile Foundations are an essential basis for many structures. It is vital that they be designed with the utmost reliability, because the cost of failure is potentially huge. Covering a whole range of design issues relating to pile design, this book presents economical and efficient design solutions and demonstrates them using real world examples. Coverage includes nonlinear response of single piles to vertical or...
