Hachette Children s Group, United Kingdom, 2018. Hardback. Condition: New. Krina Patel (illustrator). Illustrated edition. Language: English . Brand New Book. Animals takes a look at the five types of vertebrates on our planet: fish, mammals, reptiles, amphibians and birds. Find out about the types of habitats these animals live in, and all about teeth, bones, feathers, skulls, tadpoles, scales, eggs and loads of other fascinating science stuff about animals. Have you ever looked at the objects inside a curiosity box? What did you see and what did they feel like? Did you recognise some of them or were there things in there that you d never seen before? These six book take the magical charm of collecting curiosities, joined with the science behind some of the wonders of the natural world. The mixture of full-colour photographs and beautiful illustrations will inspire children to take a closer look at objects and the world around them, and begin to question how and why nature designs things in certain ways. The Curiosity Box series is brimming with science and encourages Key Stage 1 pupils to engage with core science and nature topics, while developing other key skills in thinking and reasoning in an utterly absorbing and charming way. For children aged 6+.
