YOU MAKE CLASS MORE INTERESTING.? (PAPERBACK) book.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Workbook, Student. Language: English . Brand New Book ***** Print on Demand *****. These questions use the Inquiry Education method (see the wikipedia article). The organizers of the text tried to follow the advice of Neil Postman to ask teachers to spend less time talking and more time listening. Contributors included Cariann E. Fay, Danielle Betancourt, Ana Rodriguez, Emily Rodriguez, Ana J. Robles, Michaela M. Rodriguez, Rocio Montoya, Zurych Acosta, Patricia Marquez, Edson Guardado, Tayee Rosario, Myriam Perdomo, Enzo Figueroa, Christopher Hinds, Armani Rodriguez, Samantha Morales, Aliayah Sanchez, Frantz Saintil, Junior Francois, Carly Vince, Christian Akins, Kevin Garcia, Brandon Luccean, Alejandro Hernandez, Antoinette Dinane, Galia Gutierrez, Shirley Hernandez, Jessica Garcia, Daniel Fung Wu, Daniela R. Espinoza, and Viviana Rivas The name of this book comes from that perennial cartoon showing a policeman walking up to a man who is looking at the ground near a street light. You can see a car parked in the dark about 25 feet away from the light. What are you looking for? asks the police officer. The man replies, I m looking for my keys. I dropped them while I was trying to open my car door. But your car is over there? Why are you looking here? The man replied, Because this is where the light is. See the images under the search terms man looks for keys under a street light image. /wiki/Streetlight effect There is even a wikipedia article about this topic. The other reason for the under the streetlight title is the idea that people who are waiting for a bus often stand or sit under a streetlight to share company, stay safe or read in better light. Perhaps you readers and we teachers can come together under the street..
