Excerpt: .of Melton s episcopate, and that the work then stood still for the fourteen years, after which the west end, as we have already seen, was taken in hand about two years before Melton s death in 1340. The lower story of the western towers, and the central door, although geometrical in their tracery, are in many respects in an advanced style to the rest of the nave, they were probably begun after the latter was finished and roofed, this will place their date at the beginning of Melton s pontificate. The nave, and indeed the whole church in its highest parts, is covered with a wooden vault, made in the form of a stone ribbed vault, with bosses, probably on account of the great span of the central aisle which alarmed the masons. The side aisles are vaulted with stone . Vaults however,...

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Kian Harber**

If you need to add benefit, a must buy book. It really is written in straightforward words and phrases and not confusing. You will not feel monotony at anytime of your respective time (that's what catalogues are for concerning if you ask me).
