MODERN CROCHET: 20 POPULAR CROCHET PATTERNS FOR YOUR KITCHEN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Modern Crochet 20 Popular Crochet Patterns For Your Kitchen Crochet is a hobby that has been around for centuries, yet in the recent times, it has been gaining more popularity than ever before. This could be because you can make everything entirely custom, or because you can have anything you want handmade anytime that you want. Of course, crocheted items tend to be better quality than the things that you buy at the store, and you are free to choose the color, size, and fiber for your items. You can have anything you want as fancy as you want. anytime that you want. We all like things that match, and when you are making things yourself, you can do just that, and at a fraction of the cost of what it would be if you were to buy them all at the store. If you have ever tried to purchase something that was crocheted, you would find that it costs much more than anything that is knit or sewn. This is because crochet is a craft that can only be done by hand. no machine on the planet is able to create the same stitching that you can with your hands and crochet hook. This book is full of patterns for things you can make for your kitchen. The kitchen is one of the homiest places in the home, and what could make it cozier than a whole lot of crocheted items? With this book, you are going to find every pattern you need to make anything you can think of for your kitchen. Hand towels Washcloths Dish scrubbies Aprons And more! Get ready to renovate your kitchen with all...
