

Maine Squeeze: Maine Squeeze and Banana Splitsville (Paperback)

By Catherine Clark

Harper Teen, 2010. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Two irresistible and hilarious love stories (and really cute boys)! In Maine Squeeze, eighteen-year-old Colleen Templeton can't wait for summer. She's going to share a house with her best friends, earn money for college, and spend every free moment with her boyfriend, Ben. It's the perfect plan. At least until she discovers that she's going to be working side by side with Evan, the guy she dated last summer--the best summer of her life . . . until he broke her heart. Will Colleen be able to keep her cool when this summer starts heating up? Courtney Von Dragen Smith didn't plan on being single her senior year. But in Banana Splitsville, thanks to her now-ex-boyfriend Dave, single is exactly what she is. And miserable. That's okay, though, because she has a plan: steer clear of boys for the rest of high school. Oh, and stick to a new vegan diet. But it turns out that ignoring all guys (well, really one guy in particular) is about as hard as keeping away from sundaes when you work at Truth or Dairy....
