

## The Principles and Practice of Surveying (Classic Reprint)

By Charles Blaney Breed

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Principles and Practice of Surveying In the preparation of this volume, it has been the authors chief purpose to produce a text-book which shall include the essentials of a comprehensive knowledge of practical surveying and at the same time be adapted to the use of teachers and students in technical schools. In this book, which is essentially an elementary treatise, such subjects as stadia, plane table, hydrographic and geodetic surveying, are entirely omitted, these subjects being left for a later volume. Considerable stress is laid upon the practical side of surveying. The attempt is made not only to give the student a thorough training in the fundamental principles and in approved methods of surveying, computing, and plotting, but also to impress upon him the importance of accuracy and precision in all of his work in the field and the drafting-room. In carrying out this purpose it has seemed necessary to lay particular stress upon some points which to the experienced engineer or the advanced student may appear too obvious to require explanation, but which...
