

The Basque History of the World: The Story of a Nation (Paperback)

Filesize: 4.77 MB

Reviews

Very useful to all of class of people. It is really simplified but unexpected situations within the 50 % in the ebook. I am delighted to let you know that this is actually the best book i have read in my personal daily life and can be he finest ebook for at any time.
(Gwen Schultz)

THE BASQUE HISTORY OF THE WORLD: THE STORY OF A NATION (PAPERBACK)

Penguin Putnam Inc, United States, 2004. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From Mark Kurlansky, the bestselling author of *Cod*, *Salt*, *Birdseye*, and *Paper*--the illuminating story of an ancient and enigmatic people Straddling a small corner of Spain and France in a land that is marked on no maps except their own, the Basques are a puzzling contradiction--they are Europe's oldest nation without ever having been a country. No one has ever been able to determine their origins, and even the Basques language, Euskera--the most ancient in Europe--is related to none other on earth. For centuries, their influence has been felt in nearly every realm, from religion to sports to commerce. Even today, the Basques are enjoying what may be the most important cultural renaissance in their long existence, as displayed by new cookbooks like chefs Alexandra Raij and Eder Montero's *The Basque Book* and restaurateur Jose Pizarro's *Basque*. Mark Kurlansky's passion for the Basque people and his exuberant eye for detail shine throughout this fascinating book. Like *Cod*, *The Basque History of the World*, blends human stories with economic, political, literary, and culinary history into a rich and heroic tale. Among the Basques greatest accomplishments: - Exploration--the first man to circumnavigate the globe, Juan Sebastian de Elcano, was a Basque and the Basques were the second Europeans, after the Vikings, in North America - Gastronomy and agriculture--they were the first Europeans to eat corn and chili peppers and cultivate tobacco, and were among the first to use chocolate - Religion--Ignatius Loyola, a Basque, founded the Jesuit religious order - Business and politics--they introduced capitalism and modern commercial banking to southern Europe - Recreation--they invented beach resorts, jai alai, and racing regattas, and were the first Europeans to play sports with balls...
