Reno is in a valley 5,000 feet above sea level, located along the banks of the Truckee River, surrounded by snowcapped mountains, winter and summer. Its broad, asphalt streets, lined with magnificent shade trees, the up-to-date methods in the construction of public buildings, its elegant private residences, and the high standard of public schools, make it one of the prettiest, cleanest and healthiest cities in the United States, and one of the most desirable places to live. The dry, healthy atmosphere, its blue skies, and the pure air, and shimmering sunshine throughout the year, make it an ideal spot for the romantic strangers that pass here from all over the world. It also makes it a desirable location for rest and recreation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
