Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Story of a Wonderful Hunter Daniel Boone Did you ever stroll through a lonely forest far away from where people live? Isn't it delightful to rustle the dry leaves with your feet as you walk along? Then you lie down among them on your back and look up through the boughs of the great trees and see the patches of blue sky, whitened now and then with flying clouds far above. How still and solemn it is! You feel like talking to the trees. Do you think they could understand you? They seem like friends as they stretch their big leafy arms toward you as if they wanted to embrace you. If they have any power to love, they certainly love you and are glad to have you with them. But it isn't so silent after all. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
