iUniverse, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In June 2010, Greg Fettig began a battle that would ultimately change the course of his life. Already involved in the Tea Party movement in Indiana, he started a campaign to target an icon of Washington elitism, six-term US Senator Richard Lugar, and ultimately oust him from power. He had no idea that the eighteen-month journey ahead would be fraught with twists and turns, bribes, threats, attacks, deception, and betrayal. An inside look into the dark underbelly of politics, Tea Party on Safari takes you behind the scenes of one battle in an all-out war for the heart and soul of the Republican Party. Fettig, along with fellow Tea Party patriot Monica Boyer, united under the banner of constitutional conservatism and set out to reclaim the Republican Party by purging it of RINOs-and they started with Senator Lugar. Voting Lugar out of office remained their goal, and they pursued it with steady resolve. With Fettig and Boyer at the helm, the unified Tea Party waged the largest grass roots political campaign ever conducted in the young movement s history, seeking to send shockwaves of fear to the Washington, DC, establishment of both national political parties.
