Balboa Press, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Miracles. Abundance. Radiance. Inspiration. Laughter. Yet to be. Now. The measure of time is man-made. I am shaped by the spirit of all life. I am Gods beloved child. I am beguiled by the magic of each new day. I am. Linda Villegas Bremer believes that we are all one. In a collection of poems inspired by the angels in her life who generously share their gifts and virtues with her, Bremer explores nature and spirituality and poses complex questions that prompt others to look inward for the answers. While finding joy in Gods magnificent plan, being gratitude to Spirit from circulating good around and through her, and being in the abundance that is naturally hers, Bremer recognizes her friends, one-by-one, in a lyrically touching way that shines a light on each of their unique abilities to make her feel happy, special, and hopeful. Throughout the poems, Bremer intersperses positive affirmations that remind others to embrace their own spiritual journeys and live a full life abundant with gratitude, love for fellow earth travelers, and enthusiasm for pursuing dreams. Soul Reflections shares poetry that teaches all of us the value of friendship, gratitude, and self-love as we continue on our paths through life.
