Lew and Izabel Kaminski return home from the honeymoon they never got to take twenty-two years earlier. But the house is empty. No signs of forced entry or violence of any sort. But their daughter s missing. Izabel contacts her parents and Beth s friends, but no one s seen her all week. Lew goes straight to the police, then to the F.B.I., but it s in one door, out the other. With no signs of foul play, and a missing individual of legal age, law enforcement refuses to get involved. Thus it falls upon Lew to find his daughter. He snoops around. Learns she recently started dating a member of a notorious outlaw motorcycle gang . starting experimenting with meth and LSD . and was last seen leaving the house on the back of a motorcycle. These discoveries send Lew into the belly of the beast . to find his daughter . or to find out what happened to her. WHERE S BETH? reads fast, with cutting-edge drama, thrills and chills, and plenty of suspense. It s the first episode of the DEATH STRUGGLE epic crime saga. Five more episodes already in the on-deck circle, eighty-two more on the drawing board. Perfect time to start.
