THE REVISED AND ENLARGED EDITION OF BETHEL EL BETHEL: A NEW OLD STORY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Revised and Enlarged Edition of Bethel El Bethel: A New Old Story Should it be found that some of the thoughts contained in this little book, were the reflected rays of other lights, it is that truth is eternal, and we have the same right to gather up and throw back some of its scattered beams in a new combination as the chemist has to use the compounds of previous discoverers to produce yet more new and varied results. The historical characters with which our theme is woven are familiar to all: and we find sparkling through them, the desires, needs, longings and sins, even, of the human heart of today and by voicing these Bible characters, to express through them the wants, longings, sufferings, conflicts, and triumphs of the soul in all ages. Free use has been made of Bible language, imagery, and poetry. Who knows but the Psalms and the book of Job may ring with the echo of a yet more distant inspired literature than that which existed before Abraham was? David seems to have compassed the breadth of man, in his struggles, temptations, sins, and bitterness. His reach ings out after God; his growth in holiness, and his repose in promises; and these experiences are just as true of our every-day life as of his, when he cried Out of the depths or from sun-lit peaks of nearness and blessedness, he caught glimpses of the King in His beauty.
