Prentice Hall (a Pearson Education Company), United Kingdom, 1994. Hardback. Condition: New. Language: English . Brand New Book. In The Alphabet from Z to A , Judith Viorst once again applies her clear-sighted wit to a subject of universal appeal, turning the traditional alphabet book on its head by going through the alphabet backwards. Viorst s lively verse irreverently demonstrates that the spelling and sounds of our language are often so maddeningly inconsistent-- blue and blew , chute and shoe -- that, as her exasperated narrator complains, It could drive you berserk . Aimed at children who already have some facility with language (and at anyone else who likes to play with words), The Alphabet form Z to A is an entertaining and thought-provoking romp through the quirks and quagmires of the English language. Richard Hull s exquisite drawings enrich the text and offers a playful challenge.
