

## The Plague of Male Dominance: The Cause Cure! (Paperback)

By Boye Lafayette De Mente

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this book the author offers explanations of why male dominance and religious dogma have prevented human beings from achieving the peace, security and prosperity that most people desire. Known for his business and cultural-insight books on China, Japan, Korea and Mexico, De Mente attributes the weaknesses and/or failings of all of the fundamental elements of human cultures on the dominance factor in the genetic programming of human males. Males are designed to dominate in all of their relationships, particularly with females, and this is at the core of most of the problems that have afflicted mankind since the origin of the species, De Mente says. This dominate trait in the make-up of males was responsible for the creation not only of the world s cultures but also the creation of gods to explain the phenomena of life, nature and the cosmos in general, he adds. De Mente says that when males in the human species became self-aware they developed a compelling urge for an explanation of life and the material world around them, and began creating gods to explain how it all...
