Yet those who want to walk their faith in all aspects of their lives know they cannot live on an isolated mountaintop or on a deserted island. In *Walking My Faith*, author Rev. Mary Tudela challenges the notion that personal values and faith cannot coexist with professional ambition and success in today's society. Rev. Tudela, an Episcopal priest and former executive at a Fortune 500 company, offers practical examples on how the values of love, forgiveness, grace, and acceptance can help anyone succeed in today's challenging and often stressful business environment. While exploring the ways that faith-full leadership can strengthen work teams and organizations, enabling individuals to live holistic and authentic lives, Reverend Tudela also shares her personal experiences, the stories of others, and eye-opening insights about what awaits those who want to live and work in accordance with their most cherished faith-based values. For anyone on a continual spiritual journey, *Walking My Faith* offers support and encouragement for living a faith-full and authentic life—even in corporate America.
