Kregel Publications,U.S., United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. As a parent, you want to give your children more than a happy life today--you want to build a sturdy foundation that fosters health for generations. But what does it mean to be a spiritual heritage builder for your kids? Spiritual heritage is connectedness. It is vision. It s the courage to stand up for what you believe in as a family and the choice to be a family that blesses others. It s everything God says in the Bible about family and parenting all thrown together into a messy, love-filled household. And dads, moms, grandpas, and grandmas who focus on developing a strong spiritual heritage equip kids to understand faith, family, and character and make those values their own. Starting is easy--and it can happen any time, even if your nest is already empty. With three adult children, eleven grandkids, over forty-five years in Christian education, and a home filled with generations of laughter and love, Glen and Ellen Schuknecht are amply qualified to help you discover a vision for your own family. Come journey with them and discover the ideas you need, the hope you crave, and the grace you require to raise passionate and God-connected future generations.
