

Sustainable Food for the Globe.: One Square Foot at a Time

By Mrs Norma R Burnson

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Sustainable Food for the Globe, One Square Foot at a Time came about in the strangest way. In August of 2012, there were two news items that caught my attention. The first was a challenge made by a group calling themselves The B Team. The statement was made that business as usual is currently not working, nor taking care of the needs of the people in our planet. The challenge - that now is the time to modify our mindsets and take a look at what each individual can change to bring about a stronger, richer and more abundant Global community. Secondly, during that same time period, there were lots of comments made by so-called experts, stating that the world would run out of food by the year 2050. What a paradox, on the one hand, a group of invigorated people ready to take a challenge and create a better world; and on the other hand nay-sayers stating that humankind would expire in less than 37 years due to mass starvation. As a gardener, both news items drew...
