College was supposed to be Andi Miller s training ground for the real world. Instead, it s her final Saturday night in her college-grade apartment, and she s still sheltered as hell. Why? Because of her three adorable roommates-Reed, Cooper and Simon. Determined to have one date where the overprotective trio doesn t scare the guy off, Andi sneaks out for the night. And almost lives to regret it. When Reed, Cooper and Simon rescue Andi from a bad situation in the basement of a sex club, they decide it s time for the kid gloves to come off. Since their early college days, they ve been not-so-secretly fighting amongst themselves to spark her next smile, her next laugh. They ve already done a lot of surviving together, and now it s time to thrive. At the risk of ruining a beautiful friendship, the men set out to turn their hands-off live-in arrangement into a weeklong learning experience where they become Andi s sex education teachers. Except none of them realize their new found intimacy will make it impossible to say goodbye on graduation day.
