## BEASTS AND SUPER-BEASTS: SPECIAL EDITION (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.

Beasts and Super-Beasts is a collection of short stories, written by Saki (the literary pseudonym of Hector Hugh Munro) and first published in 1914. Along with *The Chronicles of Clovis*, *Beasts and Super-Beasts* is one of Saki's best-known works. It was his final collection of stories before his death in World War I, and several of its stories, in particular *The Open Window* and *Sredni Vashtar*, are reprinted frequently in anthologies. The majority of the volume's stories deal in one fashion with animals, providing the source for its title. The character of Clovis Sangrail, featured in earlier works by Saki, appears in several stories. Most of the stories appeared previously in periodicals. Stylistically, *Beasts and Super-Beasts* displays the simple language, cynicism and wry humor that characterize Saki's earlier literary output. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this...
