China's traditional society is a social acquaintance, which is characterized with a personal relationship between people. between people linked by the relationship to form a picture of relationships. Background and the relationship is social acquaintance of the typical discourse. People acquaintances good things, saying it is the social acquaintance of a simple expression. In the social acquaintance in all year round and even generations living together, all day, bow not see the rise, if the selfish things, will lead to the other side of the unpopular and the condemnation and talk. However, due to social change, population movement, we have gradually entered a strangers. In the growing social space, people become strangers, mobility, a person did a bad thing, and vanishes in the vast sea, the other is difficult for him to retaliate. So some people in the community trickster, once people feel the collapse of faith. A person to get the confidence of others, provided that they have to integrity, trust in others is the best reward their faith conduct. If...
