Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.East meets West nearly a decade after the collapse of the USSR. Peter Babat, an American bioenvironmental engineer is in Moscow in an official capacity to analyze the long-term effects of the nuclear accident at Chernobyl in 1986. In a chance encounter, he meets beautiful temptress Verushka Dobrovna and her liberated sisters, a few of Russia s enchantresses who send him into a tailspin of memories. With artful storytelling and unforgettable characters, DON T KILL THE MESSENGER dispels certain myths, and traces complicated relationships played out against a backdrop of a nation recovering from a tumultuous time. Peter is introduced to a new breed of intelligentsia of writers, dissidents, academics, scientists, ethnocentric scholars, and some who sound like American libertarians, eager to confide their country s problems and his concept of Russia changes as he has a showdown of himself and embarks in a burgeoning romance.
