WHO GOT EINSTEIN S OFFICE?: ECCENTRICITY AND GENIUS AT THE INSTITUTE FOR ADVANCED STUDY (PAPERBACK)

INGRAM PUBLISHER SERVICES US, United States, 1988. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It was home to Einstein in decline, the place where Kurt Goedel starved himself in paranoid delusion, and where J. Robert Oppenheimer rode out his political persecution in the Director s mansion. It is the Institute for Advanced Study in Princeton, New Jersey; at one time or another, home to fourteen Nobel laureates, most of the great physicists and mathematicians of the modern era, and two of the most exciting developments in twentieth-century science--cellular automata and superstrings. Who Got Einstein s Office? tells for the first time the story of this secretive institution and of its fascinating personalities.
