

## Mechanical Engineering Science

By G.D. Jones

Longman. Paperback. Condition: New. UNUSED, VERY GOOD, NOT EX-LIBRARY, shows signs of shelfwear, cover is different to the one on Amazon, 312 pages. The aim of this book is to cover the mechanical science requirements of technicians and trainee engineers up to first year HNC/HND and degree level. It will also be useful for the final years of BTEC National Certificate courses in engineering, the first years of BTEC Higher National Certificate and Diploma courses in engineering and for GCE 'A' level students embarking on HND and degree courses at polytechnics or universities. The text is illustrated with numerous worked examples in order that students can use the book as the basis of a self-study programme. Practical activity is emphasized and the book focuses on the application of theory to real-life situations to enable students to fully understand the workings of the subject. An ELBS/LPBB edition is available.

### Reviews

*Here is the best pdf i actually have go through till now. We have study and i also am certain that i am going to planning to go through once again once more in the future. You will not sense monotony at at any time of the time (that's what catalogs are for regarding in the event you question me).*

-- **Frederique Rolfson**

*This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*
