Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. THE ANGEL STRIKES. VOLUME ONE OF THE BRANDT FAMILY CHRONICLES. The Angel Strikes introduces readers to Paul Brandt, as he will become. His life starts in a family of Russian serfs who flee privation, starvation and the most horrific threat of those times. They head west in fear for their very lives. Paul is a magnet for trouble and success, not because he has a face that you don't see on a woman often, but because he has no choice but to strive, to challenge and to succeed. His principal attribute is to seize opportunities others miss, ignore or cannot be bothered with. The privation of the 1800s is no place to linger, but the effort to rise out of it is a vital part of his experience. If you're cold, wet and miserable, it's your fault. Paul will lead you, a skill you will watch him develop, into and out of trouble. Doing the right thing does not mean doing the easy thing, and in that choice, men of stature are made. But, coming to the aid of a traveller attacked by bandits can have life-changing consequences, if you see the event unroll as an opportunity. Unforeseen events bring hidden consequences and Paul, his Uncles and their fellow-travellers, a mysterious woman, Rosina and her change Anna, become embroiled in an English plot and must flee again. At the Battle of Jena-Auerstedt you will meet Carl von Clausewitz, Scharnhorst, Gneisenau, von Boyen and Blucher, not as ships, but as men. Men who must bear the responsibility for Prussia's defeat, and who swear to avenge it. It is at this battle that The Angel of Jena appears...
