

Secret Diary of a 1970s Secretary (Paperback)

By Sarah Shaw

Little, Brown Book Group, United Kingdom, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Secret Diary of a 1970s Secretary is the diary of Sarah Shaw for the year of 1971, which she recently uncovered whilst clearing out her loft. Working as a secretary for the BBC at the time, Sarah s diary describes the life of a suburban girl who certainly wasn t swinging but who was, ironically, not only working on a cutting edge BBC survey on sex education but also in the throes of an unlikely affair with middle-aged, working-class, Irish lift attendant, Frank.Sarah talks humorously and frankly about what it was like to be a young, working woman at the time as well as life at the BBC during the 1970s and the difficulties of navigating her first romance. She is funny and self-effacing with a self-knowledge that only few attain. Her innocence and naivety are hugely charming and the diary forms a valuable snapshot of a time not so far away that is now lost to us.

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.
