Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Curious Bypaths of History: Being Medico-Historical Studies and Observations English toned down to the point of delicac, Avhile others scarcely capable of such attention were left to languish in their original garb untranslated. But even these precautions were not sufficient for what honest old Doctor Johnson would have stigmatised as, the muckand gutter-hunters, and copies sent out for review were quietly appropriated without the slightest mention or, in one or two instances, only criticised and attacked. The latter course, we do not deny, is the right of every journal that receives a book for review; but the principle which will allow the acceptance of a work sent for a specific purpose without the least attempt or intention to carry out that purpose, belongs, it appears to our rude mind, to a code of Ethics bordering on what in thieves slang is known as finger-smithing. Not until it was too late for us to withdraw, did we realise how little a fearless handling of history is relished across the Channel. And yet the work in its French dress was received with acclamation by every journalist throughout the Continent, and hundreds of flattering reviews helped to quicken the sale of what constitutes one of the most unique works of historical science. Some English journals, however, less fearful of Mother Grundy than their fellows, gave the book kindly welcome enough. Amongst these we may mention The Star (October 5th); The Bochdale Observer (October 9 th); The Boston Daily Globe (June 12th). The Jamaica Post (July 5th). This ably edited paper devoted a long article to the book and predicted success for it throughout the British Empire and the...
