AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My thoughts were, when I discovered that I had ADD, Well my life is mostly over and now I find out that I have ADD. What could I have accomplished had I known about it when I was younger and could have possibly made the right adjustments to succeed where instead I merely stumbled? A question. Yet that question, like any other question, is something you don't sit on. Because if you do, you really don't want the answer, you want to wallow in self-pity. If we're not supposed to surrender ourselves to the well-that's-just-the-way-it-is mentality then, for sure, we stand a chance of finding ourselves depressed and, maybe, a little insane if we do surrender. This book is for whoever...
