Reviews

This composed book is fantastic. it absolutely was writtern quite properly and helpful. I am very happy to explain how this is the very best ebook i actually have read during my own existence and may be he best pdf for actually.
(Prof. Elody D'Amore)

ACCESSIBILITY AND UNIVERSAL DESIGN IN MAJOR SPORT EVENTS

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | An inclusive evaluation of London 2012 and Toronto 2015 | The book aims to highlight the relevance of Universal Design at major sporting events by exploring accessibility through the various guides and regulations, while not neglecting the rights of the disabled. It also aims to identify the role that Universal Design has in the sport environment and why it is so important in sport as it is in life. The analysis is conducted on the sites of the London 2012 Olympic and Paralympic Games, and on those of the Pan Am and Parapan Am Games to be held in Toronto in 2015. It intends to evaluate whether London maintained its promise to host the most inclusive games ever , in terms of accessibility and universal design, from the perspective of both designers and users. The study also discusses whether London s experience will impact on future sporting events, such as those to be held in Toronto in 2015. | Format: Paperback | Language/Sprache: english | 123 gr | 220x150x4 mm | 80 pp.
