Seven Seas is pleased to present Freezing, an action packed manga series that combines the charms of battle school manga like Naruto with fan service laden fantasy series like Dragonar Academy wrapped into one intense, page turning experience. Each edition of Freezing contains two volumes worth of story over four hundred pages long and is filled with dynamically powerful artwork and colour inserts. Extraterrestrial beings have invaded our garden world, hell bent on wiping humanity off the face of the planet. The only hope is a specialised force of genetically-engineered female Pandoras and their male partners known as Limiters, who represent the last line of defense against a horrific alien force. Kazuya Aoi is a Limiter who enrolls in a prestigious academy that trains genetically-engineered soldiers. Having made a promise to his Pandora sister who died in battle, Kazuya must overcome his sadness and become the best he can be. His first major obstacle is a frigid second year student known as Satellizer el Bridget, who has remained undefeated in combat simulation. Does Kazuya have what it takes to beat her while readying himself for an impending war?.
