Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1904 Excerpt: .in order to make any showing at all we must spend our money for material only. We got together, took off our coats, and went to work. The Janitor for this building was formerly a carpenter. Mr. Parshall and myself are what might be called handy men, and together we fitted up the Cement Testing Laboratory, the Irrigation Laboratory, the Dark Rooms and the Class rooms. The Cement Laboratory contains an immersion tank, moist closet, bins for cement and aggregates, an instrument case, mixing tables and wall bench together with the necessary plumbing. As soon as our cement testing machine can be ordered we will have, together with the apparatus already on hand, an up-to-date laboratory for practical as well as instrumentational work in this branch. In the Irrigation Laboratory we have so altered the large hydraulic tank that it is now suitable for pipe work, pump work and power work under all heads up to 400 feet. The long tank in the floor was lined up and water proofed by plastering out on the sides; angle irons were set so as to allow it to be divided by steel bulk heads and thus give an elastic tank as it were. A rating car has been designed and constructed and is now ready for use and we have now the only perfect rating station in the West. We have installed a 15 H. P. motor which is connected with a long line shaft driving the pumps..
