Energion Publications, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this brief, lively, and engaging book, Dr. Bruce Epperly untangles the difficult concepts of process theology and shows how we can envision a God who is in relation to us throughout our lives here and in the next world. He believes that God is present at the moment of our conception, guides us through the adventures of this lifetime, urging us to rejoice in embodiment and bring healing to our world, and upon our final earthly breath receives us with open arms with visions of future adventures in communion with God and our fellow creatures. Not only is this theology easy to understand, it challenges us to live out God's adventure in with joy, sharing God's life with all of God's creatures.
