HarperCollins Publishers Inc, United States, 2006. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Chief Inspector Alan Banks faces his most personal case from New York Times bestselling author Peter Robinson. A bullet to the brain abruptly halted a terrified young woman s desperate flight. In her pocket is the name of a policeman whose own life was brutally invaded, mercilessly shaken, and very nearly erased--a policeman who has since gone missing. The dead woman in the car had been running from something--but she didn t run far or fast enough. Detective Inspector Annie Cabbot would like to question the man the victim was apparently racing to meet: Annie s superior--and former lover--Detective Chief Inspector Alan Banks. But Banks has vanished into the anonymous chaos of the city, drawn into a mad whirl of greed, inhumanity, and death, by a frantic phone call from the brother he no longer knows. Banks is unaware that the threads connecting a sinister kidnapping with a savage slaying are as thick as rope . . . and long enough for a haunted and broken rogue cop to hang himself. One of his most, clever, twisting thrillers, *Strange Affair* attests once again why readers love and can t get enough of Peter Robinson s novels of suspense.
