Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This alphabet book is a journey to the far corners of the universe. It features strange creatures doing even stranger things such as Angry Arcturians attacking an apple, Ominous Oratorical Oatmeals or Veiled violet Verbosities victorious over vegetables. The fantastic, humorous drawings are as colorful as the characters. Your precocious three or four year old will love its tongue-twisting, out of this world wackiness. Notes on each page from professor Knowsalot turn this into a book even your five or six year old will enjoy. This is also a great introduction to exploring poetry beginning with short tongue-twisting phrases.
