# SHAREPOINT 2010 SITE OWNER S MANUAL (PAPERBACK)

Manning Publications, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. DESCRIPTIONSharePoint is Microsoft's platform for collaborative web sites. From content management to community-building, SharePoint helps organizations share information and work together.SharePoint 2010 Site Owner's Manual is designed especially for nondevelopers who need to create and maintain SharePoint sites. The approaches are simple enough that a tech savvy business user can follow along without having to understand how to program. The author then discusses how to implement governance across multiple sites...

## Reviews

---

*The book is great and fantastic. Better then never, though i am quite late in start reading this one. I realized this publication from my dad and i advised this ebook to find out.*

-- **Dr. Blair Mann**

*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).*

-- **Imogene Bergstrom**
