JESSICA KINGSLEY PUBLISHERS, United Kingdom, 1993. Paperback. Condition: New. Language: English . Brand New Book. `It is impossible in a short review to do justice to all those individual contributions, most of which are interesting in their own right . Geriaction`This excellent book acts as a salutary antidote to the narrow and limited study of old age . well-disciplined . clear-cut presentation . deserves wide recognition. - Age and Ageing`This is a very interesting book . I certainly recommend this book . and would strongly encourage this book to be included as one of the essential reference book to clinical psychology training courses, and sections of psychology services for older...
