Essays Before a Sonata by Charles Ives - A Creative Genius. An American Modernist Composer. The Complete New Edition. Charles Ives (1874-1954) was probably one of the most psycho-intellectually brilliant, imaginative and flexible Americans to ever walk the land of freedom. A graduate of Yale, he became a multi-millionaire in the American insurance industry, introducing brilliant innovations within that industry. He also, unlike a few composers, found the time and the money (being a shrewd and practical businessman) to get married and have children. His accomplishments for which he is best known, however, are those in the field of music. At the time of its composition, Ives music was probably the most radically modern in history, and by itself had enough material to serve as the foundation of modern 20th century music. For example, at the turn of the century, this eccentric composer created band works featuring multiple melodies of multiple time signatures opposing and complimenting each other within the same piece. Ives was also a revolutionary atonal composer, who created, essentially without precedent, many atonal works that not only pre-date those of Schoenberg, but are just as sophisticated, and arguably even more so, than those of the 12-tone serialist. The following pages were written primarily as a preface or reason for the writers second Pianoforte Sonata Concord, Mass. , 1845, a group of four pieces, called a sonata for want of a more exact name, as the form, perhaps substance, does not justify it. The music and prefaces were intended to be printed together, but as it was found that this would make a cumbersome volume they are separate. The whole is an attempt to present one persons impression of...
