

## The False Promise of Big Government: How Washington Helps the Rich and Hurts the Poor (Paperback)

By Patrick M. Garry

Isi Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The debate over the size and scope of the federal government has raged from the New Deal right up through the 2016 presidential race. So why have opponents of big government so rarely made political headway? Because they fail to address the fundamental issue. Patrick M. Garry changes that in this short, powerful book. Garry, a law professor and political commentator, reveals six ways in which big government hurts the very people its purports to help: the poor, the working class, and the middle class. And the problem is worse than that, he shows: big government actually props up the rich, the powerful, and the politically connected. The False Promise of Big Government thus debunks the myth at the core of modern progressivism: that only government can help the average person survive and prosper in the contemporary world. Garry provides conservatives and libertarians with the intellectual ammunition they have lacked. He demonstrates that opponents of big government rely on arguments that are true but fail to address the heart of the issue. Yes, massive government programs are wasteful and impose huge economic costs on America, and...

### Reviews

*An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.*

-- **Melody Jakubowski**

*Merely no phrases to spell out. I am quite late in starting reading this one, but better than never. Your way of life period is going to be enhanced once you complete reading this publication.*
