AUTHORHOUSE, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When a small girl suddenly finds herself inside the porcelain village she has long admired, she realizes that the porcelain shoppers aren't as happy as they have always appeared to be. As time has passed, the people of the village have forgotten the true meaning of what the Christmas celebration is really about. As you read The Porcelain Christmas Miracle you will learn how the influence of one small child is able to transform the empty, porcelain people. Her touch on their lives brings about a miraculous change in the hearts of all those who live in the village. And, perhaps, the miracle can happen in your own life, as you open your heart to the hope shared within these pages. S. A. Stockwell.
