Aegypan. Paperback. Condition: New. 148 pages. Dimensions: 8.8in. x 5.9in. x 0.4in. The charming, beloved master of short fiction known as Saki was born Hector Hugo Munro in 1870 in Akyab, Myanmar, which was then known as Burma. Hector was the youngest child of the Inspector-General of the Burmese police -- H. H. Munro was a child of the British Empire at its fullest glory. The children were soon sent to live with maiden aunts and their grandmother in Devon. The eccentric aunts and favorite childhood stories, including Robinson Crusoe, Alice in Wonderland, and Johnnykin and the Goblins, proved inspirational for later stories. As an adult, Saki served in the Burmese police, and later, became a London political satirist, and then journalist posted to Warsaw, Moscow and St. Petersburg. As with most of his generation, Saki enlisted in military service at the outbreak of the First World War. Stationed with the Royal Fusiliers, his battalion was sent to France in September, 1915. The Chronicles of Clovis is Saki's third book of short fiction, published in 1911. Influenced by his travels in eastern Europe and Russia, most of the stories feature Clovis Sangrail, a rich young man with a wicked sense of humor. The Chronicles of Clovis contains the classic Sredni Vashtar, the story of Conradin, a spoiled, sickly ten-year old boy whose not expected to survive long. Brief, sharp, and ironic, as fresh today as the day it was written, Sredni Vashtar is Conradin's pet ferret, the most important god in an isolated boy's imaginary world of power and vengeance that may, just possibly, be absolutely real. Saki's brilliant talent was cut short by a sniper's bullet on the Western Front in November, 1916. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
